Credit Solutions for the Real Economy: Implications for Investors, Financial Stability and Policy Design

6 | 7 October 2016

Scuola Grande San Giovanni Evangelista Venice

GUIDELINES FOR THE AUTHORS

Your paper will be collected in a USB flash drive distributed only to the conference participants. The papers will be also available for download from the programme webpage a few days before the conference starts. Therefore there are not specific guidelines you are requested to follow drawing up your paper.

However:

- Please send the final version of your paper no later than **31 August 2016** by email (credit@greta.it).
- Please send your work to the Organising Committee in Microsoft Word compatible formats or in Adobe Acrobat formats (.ps or .pdf);
- Please let us know if you agree with our paper diffusion policy or if you have some special requests (write to credit@greta.it).

If you have problems, please contact the Organising Committee (Dr. Francesca Volo):
